Summary: It's a look into the past. Soap looked at his family's time in the army at the time. Rated M for violence and gore.

## Soap's Bloodlines

### Soap's Bloodlines

Soap was being surveyed by the SAS. Then Soap saw one question do you have relatives who were in the army.

Flashback.

It was 1918 and Colonel Mactavish was stuck in a hole Pvt Carty was there. "Get up Carty leave me you're the nearest you will replace me and my position." Said the young colonel. "No leave me you're more important." He also added. He threw him out and got killed by a grenade. He looked at Carty's body it was completely apart he took the privates leg and threw it at the ottoman leader it hit him and he shot him with a pistol. He took Carty's dog tag and confirmed he has been killed. Carty's first name was John that's who Soap was names after.

It was 1943 when Lt Austin Mactavish was with Captain Price they were killing off Nazi's. A grenade was thrown Price was about to be killed but Austin threw it and killed them. "Thanks." Price said. A bullet was coming at Price he was about to get shot in the head Austin jumped and took the bullet he shot the Nazi and died.

It was the cold war. Soap's dad Chris was fighting the Soviet Union in 1991 with Frank Woods to avenge Alex Mason or as they thought. Soap was 6 at the time and David was 12 and David was looking after Soap. His dad was in a helicopter and Chris the Sgt was about to kill a soviet sleeper agent he had a gun and shot him and he was stabbed he died a hero as a war hero because that sleeper agent was really deadly he Frank Woods had something to tell Soap. "Soap I'm really sorry but your dad was killed." Soap was silent and then started crying David said. "I know how you feel." As he thought his dad died

he would think he's dead until 2025. Frank Woods sent Soap to his mum.

Soap still got upset at the memory Soap gave the form in. Soap gave the survey to Wallcroft in and he saw Gaz with the weapons his training was about to start.

End  
file.
